Quotes

"The David Hill Trio really ministers to the people when they come to your church. More than one time our church family was moved to tears through the testimony of God's power as they sang and shared."-

- Tim Childers, Senior Pastor, First Baptist Church of Sylacauga, AL

"I am so happy to write a recommendation for the David Hill Trio. What a blessing these people were when they came to our church. We will have them back each year."

- Dr. J. L. Cook, Senior Pastor, Sanctuary of Leland, Leland, NC

"I recently had the privilege of hearing the David Hill Trio in Summerville, SC. They were a blessing to my heart. Their spirit is sweet and their manner gracious. For those who love gospel music, you will be blessed by this group."

- Evangelist Junior Hill, Hartselle, AL

"I recommend the David Hill Trio very highly. Last time they were at our church the time came for the offering but Brother Hill, led by the Holy Spirit, continued with the worship. As a result, we had nine people that were in the service who received Jesus Christ as their Savior. It was refreshing to see a professional trio prefer the leading of the Holy Spirit."

- E. Lavaughn Young, Senior Pastor, Life Christian Assembly, Charleston, SC

"The David Hill Trio are great friends of ours that love and serve the Lord with passion. They sound so good together and individually. David is not only a great singer but is absolutely hilarious. Amanda has such a beautiful soprano voice and Stephanie sings the alto with power. Don't miss the opportunity to go and see them, they're great!"

- Kelly Nelson Clark, The Nelons, Jacksonville, FL
