

MISSIONARY PRAYER REQUESTS/PRAISES:

Russ & Sylvia Daniels (Uganda) - Evil is on the rise in Uganda. Witchcraft and occult practices, children being sacrificed to demons, homosexuality among the youth, and Muslim terrorism are all featured in the news. Pastor Naboth Atusasire, who now pastors the first church that we started, decided to organize a special conference for all Independent Baptist pastors and leaders to challenge them to stand for righteousness. There were 53 in attendance representing 13 churches from around Uganda. The conference was a great success and everyone left fired up and encouraged.

Ed & Karen Lytle (Norway House, Canada) - Here in the north, we always look forward to February, the month that we start to see longer days. But this February is so special because God sent us a very beautiful blessing - a sweet little grandson - at just the perfect time. Congratulations Steve, Heather, and baby Hudson. Thank you all so much for the Christmas Missions Offering. God bless your sacrificial giving and your continual support and prayer on our behalf. As I write, we are in the middle of preparing for our AWANA Grand Prix at the end of the month. Pray for our AWANA program as we reach out to our community.

A WORD FROM OUR PASTOR...

Statistics reveal that most people who don't attend church on a regular basis would attend a service if they were only invited. If you are visiting with us today, my guess is that one of our members invited you to be their guest. **I want to welcome you to Friend Sunday here at Canton Baptist Temple.** We are honored that you accepted the invitation to be with us today, and we hope that you are blessed by this morning's service.

Dr. Mike Frazier
SENIOR PASTOR

Years ago there was a big difference between full-service and self-service gas stations. A full-service gas station is where you have people striving to meet your needs, whereas at a self-service gas station you are on your own to do everything. I'd like to think of Canton Baptist Temple as a full-service gas station. When it comes to the spiritual life, we don't believe a person should be left to themselves to figure things out, but rather we are convinced that they need a caring church that will come alongside them and help them in their spiritual journey.

Our ministry is a well rounded one, offering "Something for Everyone." Children, teenagers, young families and seniors will all find exciting and meaningful programs designed to help them know God in a personal way that will result in life transformation. For over 70 years Canton Baptist Temple has passionately reached out to our community and we are committed to continuing that mission.

My wife Rachel and I would love the opportunity to personally meet you. Immediately after the service we invite you for a brief time of refreshments in the front foyer. At that time, we would like to give you a gift as a token of our appreciation for being here today.

Thanks again for being our special guest!
