MISSIONARY PRAYER REQUESTS/PRAISES:

Duane & Daylin Beach (Military/Germany)

When we shared our expectations for 2009, we anticipated that many of the soldiers returning home from a 15-month deployment would need a lot of marriage counseling. We are learning that deployments don't necessarily create marriage problems but they definitely expose them! We also knew this would be a year of turn-over as families finished their 3-year tour of duty here in Germany and returned to the U.S. We are in the midst of both of these situations. Pray for us this summer as we say our goodbyes to many good families and look forward to reaching out to new families in the fall. Pray also for the families returning to the U.S. that they will find good churches and continue to grow.

Paul & Ellen Byars (Philippines) - Bible Baptist Church of Tanza turned 11 years old in April. We were blessed with 378 in attendance, 37 first-time visitors and 19 professions of faith. Three men have enrolled in Bible College in Manila and a deacon just recently surrendered for full-time service. Last fall we had our ground-breaking for our property. We plan to move to the 1st floor in June and continue work on the 2nd & 3rd floors. Please continue to pray for the ministry here.

Our Prayer for 2009 - Let God Arise!

A WORD FROM OUR STAFF...

Dr. Mike Frazier
SENIOR PASTOR

HAPPY FATHER'S DAY!

I'm excited to have my dad, Dr. Les Frazier, speaking this morning on this Father's Day 2009. Dad has been in the Gospel ministry now for 46 years, 21 of those years serving as a missionary in Japan. The Lord greatly used him there in planting churches, training nationals, organizing a mission board, editing a Baptist publication, etc. Till this day I'm amazed that he taught Greek in Japanese

using English notes. The Japanese people that Dad had a part in training are faithfully serving in the ministry all across Japan and also all around the world. The impact that Dad has had over the decades is a great example of how God honors those who faithfully serve Him with a pure heart.

Dad often jokingly says, "Mike used to be known as Dr. Frazier's son, but now it seems like I am known as Pastor Frazier's dad!" Well, either way, it's been fun over the years to be able to occasionally travel on mission trips with dad and to minister alongside of him. When it comes to Bible knowledge, Dad is the smartest man I know. At times I still call him to get his

perspective on a tough passage of Scripture, and he never disappoints me as he sheds wisdom on a verse. And yet, at age 75, he still systematically reads through his Bible on a yearly basis and comments on how he keeps learning something new.

As you can tell I have great love and respect for my dad. It's a privilege to have him preach from my pulpit this morning. I hope that you will be spiritually challenged by his message entitled "Fatherhood."
