

July 2008

There will not be any Wednesday night meals in the month of July

Music and Education

I want to thank the Hogberg family for allowing our Kid's Quest kids to swim in their pool last Tuesday! The eleven kids there had a great time.

This Tuesday, Kid's Quest is planning an Explorer Field Trip to the Children's Museum of Evansville. Since it is a scheduled field trip, the cost per kid will be only \$4.50 instead of \$6.00. First, we will have recreation, a Bible adventure called "When the Heat Is On". We'll discover how we should chose God's way even though friends, others, even the government tell to so something else. We will see that Daniel and his three friends have a tough choice to make or to be thrown in a big furnace. As usual, everyone will need a sack lunch and \$4.50 for the museum. (In case we don't meet the minimum number necessary for the Field Trip to the Museum, we'll be going to the movies at Showplace Cinema North for either, Wall-e, or Space Chimps.)

Church Census

It is very important that as many participants of Community Baptist Church as possible be in our worship service on Sunday Morning, August 10th. Some of the Leaders of Community Baptist are involved in a Visioning Process that will help us set our course for future ministry. As a part of that process, immediately after the worship service on August 10th, we will take a brief survey that will give us a picture of our demographics, strengths, stressors and challenges, faith experiences, and ways our church can help to minister to you and your family. Please place this date on your calendar and make every effort possible to attend.

Nursery Help Needed

There's good news and there's good news. The good news is we are a growing vibrant congregation. We have had an influx of young families attending our church, which is great. That brings us to the other good news- these young families have babies and preschoolers. We are in need of two (2) volunteers during the Bible study hour and two (2) volunteers during the worship hour in our nursery (baby/toddler room and preschooler room) so their parents can participate. There will be a paid nursery staff person in each room as well. If you are available to volunteer one Sunday every 6-8 weeks for either the Bible Study time or the Worship time, please see Mary M. Wrye (270-827-8207) m.wrye@insightbb.com.

CLEANING OF NURSERY AND PRESCHOOL ROOMS

WEDNESDAY, JULY 30- 4:30 PM
Volunteers are needed to help with cleaning the nursery and pre-school rooms. We will clean the rooms and paint the walls on Wednesday, July 30 beginning at 4:30 PM.

These areas are vital to the growth and ministries of our church. Young families need to feel that we are hospitable and accommodating for their infants and children. If you have any questions or want to volunteer please contact Greg Gibson at 270.631.2107.

Our Mission Team considered all of our options for our summer mission experience and came to the conclusion that Henderson has some significant needs that we can meet. So the team recommended that we go to Henderson for our mission trip this year. That "mission trip" will be next week, July 21 – 25 beginning at noon and working until 7:00 p.m. each day. At the conclusion of the workday they will gather at the church for dinner and debriefing.

We often think that it is our duty to GO on mission, and that is true. There are times when we need to take our time, skills, and resources to another location and share what we have. And yet, this is a time when it is our responsibility to STAY on mission right here in Henderson.

If you cannot work on a team during this mission week, there are still ways you can be involved:

- First and foremost, offer your prayers each day. Pray for the team's safety, for their ability to accomplish their day's tasks, for their witness to this community. Secondly, you can help in providing their meal. Call the church office (830-9057) to find out what day and what part of the meal is needed.
- Finally, you can financially support this mission trip.

To those who will be participants of this "mission trip" I offer you this blessing:

*May God grant you the confidence to never sell yourselves short –
the courage to risk something big for something good –
the vision to see that our community is too big for anything but truth
and too small for anything but love.*

*So may the Lord take your hands and work through them.
May the Lord take your lips and speak truth for equality and justice.
May the Lord take your hearts to bring shalom to this community.*

AMEN
